### ACADEMIC RECORD

Dr. Shalmi Mehta completed her M.D. Pediatrics from Bhavnagar University in the year 2007 with a Gold Medal. After this, she got an opportunity to work in the department of Pediatric Endocrinology at the renowned **Hospital for Sick Children, Toronto, Canada**. At Sickkids, Dr. Mehta got training in various subspecialties of Endocrinology like Diabetes, Metabolic bone disease, Growth disorders, Atypical Genitalia, Pubertal and Thyroid disorders.

During her training period, she learnt the comprehensive management of pediatric diabetes in great details under the guidance of **Dr. Kusiel Perlman and Dr. Diane Wherett**. She learnt the principles of management of pubertal disorders and other general endocrinological disorders from **Dr. Mark Palmert and Dr. Jill Hamilton**. Dr.

**Etienne Sochett** took her through the Sickkids approach of treating metabolic bone disease in children.

Dr. Shalmi has been practicing at Endokids Clinic, Ahmedabad since the year 2010. She has treated numerous patients in various fields of Pediatric Endocrinology.

She has been invited as a faculty at various state and national level conferences.

Dr Shalmi is also the convener for the GROWTH MONITORING WORKSHOP, which is an initiative by the Academy of Pediatrics, Gujarat. She is also a key faculty member of the National Training of Trainers Workshop on IAP Growth Charts and Growth Monitoring.

She have been actively involved in conducting various diabetes education and awareness programs for patients with Type 1 DM.
